GREEN TOYS STOVE TOP

Made from recycled milk jugs, the colorful, ecofriendly cooker lets pint-size sous chefs whip up their favorite faux meals just about anywhere. Ages 2 years and up. \$19.99 (dishes sold separately), greentoys.com

BOUNCY BOP SHAPE SORTER

We love this clever—and quiet—take on the classic toy. Tots drop pieces through the clear top and listen for the soft *boing* when the pieces touch down, then push the handle to make them pop like corn kernels. Ages 12 months and up. \$29.99, patchproducts.com

RAZOR JR TWISTI

The key to moving this cute bumblebee: kids slide the handlebars from side to side to propel themselves forward—no pedaling required! Ages 18 months and up. \$44.99, razor.com
